Ruban Store is located in the Ain French department. We are at the crossroads between the main distribution commercial routes. Near Lyon, it is well served by public transports such as the fast train, the highway and the Saint Exupéry Lyon Airport.

Stéphanoise & Médiac is an important economic player in home and people's decoration fields, it is also widely recognized for the quality and richness of its range of products.

Building on these experiences, we have developed a huge range of products responding to the need of the industries of decoration, classic and luxury packaging.
